 **HAPPY HALLOWEEN**

Halloween Candy!! Our crew got into the spooky spirit with these awesome candy bags! Everyone grabbed their share of sweets, smiles were everywhere, and Halloween was all the chatter. It was the perfect way to add some fun and connection to the day.

## Christmas Celebration!!!

Our Christmas party was a total hit! The whole crew gathered around the tables for a delicious meal, the atmosphere was buzzing with excitement. We even caught some exciting football action on the big screen. Nothing beats good food, great company, and a little holiday magic to celebrate another fantastic year together. Thanks to everyone who made it such a memorable night — here's to more moments like this!

# Congratulations!

2yrs No recordable injuries

Huge shout out to the entire team — we've officially hit **2 YEARS** with **ZERO** recordable incidents! 🎉

The moment we raised that banner, you could feel the pride. This incredible achievement is all thanks to the team's commitment to safety, teamwork, and doing things the right way every single day.

Donte Making Risers.

Meet Donte, our talented maintenance tech, hard at work crafting custom washer risers from CPVC. With precise bending, drilling, and fabrication, he created a much-needed spare set that keeps everything running smoothly.

Thanks to Donte's ingenuity and hands-on expertise, we're better prepared than ever!

Off-site teams enjoying the different holiday celebrations. We appreciate our teams. Many of who also travel across several cities & states, long distances, and are away from family. Thank you for your hard work & dedication.

*Thank You!*

During the Christmas and New Year holidays, our yard campaign crews were away from their families and friends to ensure our customers' needs were met. This dedicated team frequently works through holidays, weekends, and in difficult weather conditions, putting in extra time and effort to keep operations running smoothly. Despite the challenges, they show up ready to brave the elements and take pride in making sure every vehicle is handled safely and the job is completed the right way. We are so thankful for our amazing team.

# Happy Birthday!

## Fire Prevention and Response Training

### TOLUCA

On November 29, colleagues from the Safety and Human Resources teams participated in a Fire Prevention and Response course at the Santiago Tianguistenco Fire Department facilities in the State of Mexico. This training allowed them to strengthen their knowledge and skills to respond promptly and effectively in the event of an emergency.

The topics covered included the proper use of fire extinguishers, hydrants, and hoses.

This training reinforces our commitment to protecting people, preventing risks, and fostering a safer work environment for everyone. Preparing today is the best way to take care of ourselves tomorrow.

## Forklift Safety Training Conducted

A training session for forklift operators and supervisors was held on November 15. The course addressed real-life cases and potential risk scenarios, with the objective of analyzing common situations encountered during daily equipment operations.

During the training, safety rules were reinforced, along with proper forklift operation practices and the importance of responsible use to help prevent incidents.
